

Tell us a story about your favourite object

Where did you get it?

What colour is it?

What does it feel like?

What is it made from?

Why is it special?

OBJECT STORIES

Write about an object that is special to you

- Describe your object, what colour is it, what does it feel like...
- Why is it important to you?
- How did it come to be yours? Was it a special occasion?
- If it belonged to someone else before it was yours, can you write something about them and about your relationship?
- How or when do you use it?
- Who might you pass your object on to and why?
- Is there anything else you would like to say about your object?

You might like to play around with the order of your answers to the questions.

You might prefer not to say what the object is until the very end...leave us in suspense; put the beginning at the end...However you want, it's your story to tell.
